**Winemaking:** From the mountains of Arroyo Grande comes our newest addition to the Saints fam: SLO Coast Cabernet. Established in 1996, this site is surrounded by wild canyon-land replete with bears, mountain lions and oh so many eagles. Planted head-trained on sandy loam underlaid by diatomaceous earth, the vibrancy led us to bottle this beauty solo: de-stemmed, neutral oak, elevage on gross lees, racking only once to bottle.

**Tasting Notes:** Pakistani Mulberry, Bay Laurel, Sagebrush.
